Escrow Application

In order to initiate a request to add property costs to escrow, such as property taxes and homeowners' insurance, we must receive your request in writing. Please use this form when submitting a written request to add property costs to escrow with your mortgage loan.

Adding property costs to escrow will increase your monthly payment that is due to Movement Mortgage, LLC each month. However, these are costs that you would be responsible for even if the costs were not escrowed. Many homeowners choose to be escrowed as a convenience since the mortgage servicer will ensure that all bills are paid on time, even if funds are not available.

Check the boxes below for the items that you wish to add to escrow. Please ensure that you provide your most recent tax and/or insurance bill(s) along with this form. If you do not have a copy of your most recent bills, please include as much information about your payments as possible so we can ensure that we set up your account properly.

- Property Taxes
- Hazard (Fire) Insurance
- Flood Insurance
- Other Insurance (please specify): _____

What's next?

Movement Mortgage, LLC will review your request and provide a written estimate for what your new monthly payment will be.

This estimate will include an initial escrow deposit, which you can choose to pay in full up front, pay partially up front, or spread over the next 12 months. This initial escrow deposit is to ensure we have sufficient funds to pay your property costs when they come due.

Once you receive your estimate, please contact us using the instructions on the estimate to confirm that you still want to add the above indicated property costs to escrow.

Important: We will not add escrow until we receive your confirmation. You remain responsible for your non-escrowed property costs.

When we receive your confirmation, we will update your requested items to escrowed and complete an Escrow Analysis to update your payment. You will receive a copy of this Escrow Analysis. After this, we will be responsible for the bills of the items checked above. Any penalties or fees incurred prior to escrow being added will be disbursed from escrow.
